## SUMMARY

I'm currently a student at University of Engineering and Technology, majoring in Software Engineering. I am a person with a high personality and love to work in a team. I have a great passion for programming and a spirit of hard work, eager to learn. I looking forward to collaborating and working with everyone.

## EXPERIENCE

2021/9

### Truong Duy - My Website Personal

- Site scale: Personal
- Programming language: HTML5, CSS3, JavaScript
- Status project: Complete, deploy at <https://truongduy28.github.io/me>

2021/8

### Follow the covid situation in Vietnam

- Site scale: Personal
- Programming language: HTML5, CSS3, JavaScript
- Target project: The website was created with the purpose of helping Vietnamese people keep track of the situation of the Covid-19 epidemic, the number of new cases and the data of the vaccine. The figures will be taken from the official Baotuoitre news source and automatically updated every day, ensuring accurate information capture.
- Status project: Complete, deploy at <https://truongduy28.github.io/covid-19/>

2021/6 -  
2021/7

### Tudishop - Online shopping experience for everyone

- Site scale: Personal
- Programming language: HTML5, CSS3, JavaScript, PHP, MySQL
- Target project: Understanding the difficult needs of shopping during the covid 19 epidemic, the website was created to help shoppers shop at home with just a mobile phone or computer device with an internet connection. With a simple interface and easy-to-use functions, it promises to make everyone's online shopping experience more convenient.
- Status project: Complete, deploy at <http://shop.tudisoft.tech/>

2021/5 -  
Now

### School library management project

- Scale: School
- Work position: Web developer
- Target project: Create, design websites and related functions for the purpose of finding library materials for students
- Status project: Incomplete

## EDUCATION

9/20219 -  
Now

### Software Engineering Student

- Majoring in Software Engineering in the Faculty of Information Technology, Can Tho Technical and Technological University
